GRIFFE

Poignées | Handles

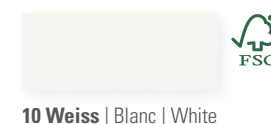

Stellen Sie sich Ihr Wunsch-Beimöbel nach Ihrem Geschmack zusammen: Der Korpus (Abb. 02), in zwei verschiedenen Farbvarianten, lässt sich zu den Front- und Top-Covern (Abb. 03) in acht Holz- und Farbausführungen kombinieren. Die Beimöbel können zerlegt oder teilmontiert bestellt werden. Bei zusammengesetzten Möbeln (z. B. Qunito, Incentro, ...) muss der Deckel noch montiert werden. Bei Kommoden mit Türen ist jeweils ein Einlegeboden vorhanden, Türöffnung nach links oder rechts möglich. Zusätzliche Böden sind erhältlich.

Composez le meuble d'appoint de vos rêves selon vos goûts : Le caisson (ill. 02), disponible en 2 variantes de couleurs, peut être combiné avec les façades et couvercles supérieurs (ill. 03) en 8 finitions de bois et de coloris. Les meubles d'appoint peuvent être commandés en kits ou assemblés. Pour les meubles assemblés (p. ex. Qunito, Incentro, ...) le couvercle doit encore être fixé. Les commodes avec portes sont équipées d'une étagère, ouverture de la porte possible à gauche ou à droite. Si besoin, des étagères supplémentaires sont disponibles.

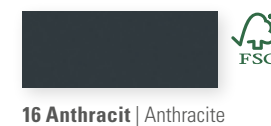

Put together the side furniture you want according to your own taste: The body (fig. 02), in two different colour versions, can be combined with the front and top covers (fig. 03) in eight wood and colour versions. The furniture can be ordered disassembled or assembled. For assembled furniture (e.g. Qunito, Incentro, ...) the top cover must still be fitted. Chests of drawers with doors have one shelf, door opening possible to the left or right. Additional shelves are available.

Bedienungskomfort | Facilité d'utilisation | Ease of use

Blumotion

Für unsere Nachttische und Kommoden verwenden wir ausschliesslich den gedämpften Selbsteinzug Blumotion von BLUM. | Pour nos tables de nuit et commodes nous utilisons exclusivement les tiroirs avec système d'amortissement Blumotion de BLUM. | For our bedside tables and chests of drawers we utilize exclusively the silent and soft self closing drawer runner Blumotion of BLUM.

Tip-On

Öffnen durch Antippen: ausgewählte Beimöbel, Lovie-Box/ Lovie-Ron Box und diverse Function-Betten (Register 13) verfügen über diese mechanische Öffnungsunterstützung, welche ganz ohne Griffe auskommt.

Ouverture par pression : certains accessoires, les box Lovie-Box/ Lovie-Ron Box et divers lits Function (registre 13) sont équipés de cette assistance mécanique, qui ne nécessite aucune poignée.

Opening by tapping: selected accessories, Lovie-Box/ Lovie-Ron Box and various Function beds (index 13) have this mechanical opening support, which does not require any handles at all.
